Dear Mr. Sutherland,

Thanks for that Dallas Morning News interview. I'd not heard about it.

As you can see from the enclosed. I told the monster what I think of him.

Not for the first time, alas.

It has been so long since I've had anything to do with writing for newspapers and magazines I have no connections with any and I know nothing about them, what they accept and don't want.

I don't know whether there are any literary agents in your area but if you can locate one that is usually the best way of getting published.

Perhaps the yellow section has such a listing.

I do hope you can place it.

Don't give up and try to keep up to date because there will be more controversy when the film is out (12/20) and there may be interest then.

Best wishes
